1edo - The Travel Charging Checklist

Before you go
[ ] GaN wall charger with the right plug type
[ ] One USB-C PD cable rated for your laptop
[ ] Magnetic cable for bedside convenience
[ ] Power bank within airline carry-on limits
[ ] Device-specific wattage checked in the compatibility hub

At your destination
[ ] Use a surge-protected outlet where available
[ ] Charge phones overnight on a cool, hard surface
[ ] Keep cables away from water and direct heat
